*“Diner is a workplace of fun and challenges. Fun because you work with many people and share so much time that it becomes a second home/family for you. Challenging because you have so many guests with different likes and different personalities and you focus on making their visit worth and joyful. Working at the diner is a big plus for my service experience!”*

**Luciana, waitress**

*“Get ready, working at the Diner is going to step up your game to a whole new level!*

*All your colleagues may seem different, but everyone shares the same characteristics: hard-workers, service minded, good and crazy-fun people. Pay attention and you will learn a lot from all of them. At the Diner I learnt how to be efficient, increase my sales, remain focus under pressure and to make the best for the customer experience, all this while I was having fun. And remember... DINER STYLEEE!!!”*

**Larisa, waitress**

*“Come and live the ‘Diner dream’!”*

*Price’s diner hasn’t only been just another job for me, it’s been like my family, my beloved international one. In my opinion, Price’s Diner it’s the best restaurant to work, because you can really voice your opinions, and everybody is willing to go beyond their way to make you feel welcomed and integrate you in the team. If you’re a new and reading this, welcome to the Price’s diner’ adventure!”*
